NOTE.

All the Trees in this Catalogue, were cultivated by Messrs. A. J. DOWNING & CO., at the Highland Nurseries, Newburgh, New-York. They are of the finest sorts, and good size. So far as practicable, the fruit is described, and season of perfection given. They are all warranted to be as represented, and in perfect order.

Over forty specimens of the Pears, were exhibited at the last Philadelphia Horticultural Exhibition, and commanded universal attention.

The Trees will be sold in lots to suit purchasers.
